No. 50.

Enclosure No. one.

In submitting herewith audited Travelling allowance bill of the Establishment of the undersigned for May 1899, for Rs 40-8-5 has the honor to state that the bill sent to Comptroller was for Rs 54. 2. 1, allowing mileage to the officials for the expeditious journey made by them, as they had to attend not only to the Janabandi work but

but also to Teams, Teamsters and other miscellaneous work in Camp. Moreover, they have done fine work and not at all insubordinate on the 13th. May 1899 when they returned to Headquarters on the following day. It is therefore not fair to deprive them of the Subsidy claimed under the above circumstances. -

Sir - I request that he will be good enough to sanction Rs 13. 9. 8. disallowed by the Comptroller in enclosed bills and forward the same to the Comptroller for credit.

Govt are not satisfied that the Comptroller is right in disallowing the amount claimed for in question - as the combination of current work with return journey of Jamabandy does not constitute a good reason for claiming mileage therefor.
